#### **Event's Intention, Objectives & Outcomes**

We **intend** to create the space for our multi stakeholder network (PAMA) to interact, to discuss and to co-create worthwhile business cases or topics with logistics as a focus. By putting our heads together on your company's business case or topic in Africa (design or live), the **objective** on the one hand is to identify (joint) cases and, on the other hand, to further develop these (joint) cases. Logistics will be a focus here. Structured business case profiles shall be the **outcome** of this Round Table.

#### **Demand Driven**

Kindly inform us whether you are interested in presenting your case or topic you wish to discuss with other participants by **May 12th, COB** by replying briefly to this message.

#### **Networking Opportunity**

We have prepared a networking opportunity for our in-person participants on the evening of the 16th of May in the same location. Please feel free to join us in a setting that's conducive to getting together, sharing insights and preparing for the upcoming event with other likeminded individuals.

#### **Online Participation**

Only plenary sessions will be held online. break-out sessions will be held in person only. To access the online plenary sessions please click on the following Microsoft Teams link.

**Special Initiative on Training and Job Creation:**

PAMA is supported by the Special Initiative on Training and Job Creation of the German Federal Ministry for Economic Cooperation and Development (BMZ)

and is implemented by the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH. The Special Initiative, which also operates under the brand Invest for Jobs, aims to team up with companies to create good jobs and training opportunities in the partner countries, of which there are currently eight, and to improve local working conditions. Further information is available at [www.invest-for-jobs.com](http://www.invest-for-jobs.com).
